

# Spa Specials

## Vitamin C Body Wrap

Begin with a dry-brushing and a powerful antioxidant mask with pure vitamin C. While wrapped in a warm cocoon to absorb this healing product, enjoy a scalp massage followed by a full body massage using our Healing and Restoring cream in your choice of natural scent: lilac, chai, strawberry or coconut-lime.

The dry-brush is yours to keep! Daily home use continues to rid the body of unwanted toxins.

90 MINUTE TREATMENT  
REG. \$130

NOW \$99
